

492 Weekly Report 24

Team: Dec15-13
Date: 11/28/15
Advisor: George Amariucaí
Project: Ad Hoc Mobile Network
Members: Cole Cummings
Cody Lougee
Ethan Niemeyer

Summary

This report covers the week over Thanksgiving break.

Group Meeting Notes

Didn't meet over break.

Advisor Meeting Notes

Didn't meet over break.

Accomplishments

Fixed some UI bugs

Keyboard is now responsive

Tables now populate with more information and don't break when updating/scrolling (This was actually harder than it sounds, I swear)

Plans For Next Week

Finish up getting the UI and Networking parts working together.

Pending Issues

None

Individual Contribution

Team Member	Hours	Descriptions
Cole Cummings	4	Fixed some visual bugs in populating tables, made the keyboard more interactive/look better
Cody Lougee	0	Didn't do anything over break.
Ethan Niemeyer	0	Nothing over break

Total Contribution

Team Member	Hours
Cole Cummings	78
Cody Lougee	74
Ethan Niemeyer	71
